“ Tommy, Jerry, and Andy,  
You and your families are in our thoughts and prayers tonight.  
Donna was a special friend. When I think of all the times Donna and I put up and took down nets with our kids begging to drive the golf carts, makes me smile. We worked hard on numerous soccer projects that we would concoct and laugh at ourselves for creating so much havoc. Donna and I shared lots of laughter and lots of tears through the years. I will miss her very much.

Love to you all,

“ *I have never met a prayer warrior like Donna. She prayed over me more times than I can count. 4 1/2 years in the same small group, we have become great friends. I smile when I think of you laughing with Jesus and praising with the angels of a million voices as beautiful as Tommy's. I have missed you every day since you have left this earth. Until we meet again...bless you my friend.*

“ *My sister, and we always considered ourselves to be best friends because we could tell each other any and everything and know it would never be repeated. We always understood each other even when others did not. I love her and I will miss her terribly. But knowing that she is in heaven talking to Mom and Dad and pain free, makes me very happy.
