“Dottie worked for us for several years helping to give care to our younger son, Brent. She gave him such wonderful care and her spirit was so full of love and she was always so willing to go the extra mile to get a task accomplished. Dottie loved us and oh how we did love OUR Dottie, too. I often told her when she came to us I don't know how we survived all of the previous years without her. She is going to be one tough Lady to replace.

Dottie loved to read, stay up on current events, she loved her family, and she loved her Lord and her church. She was an awesome cook. As long as Dottie was around, no one ever went hungry. Dottie brought enough food for everybody.

Dottie's smile was infectious. We are missing you sweet Lady, but you are up there with the angels and are suffering no more. Your entire family is in our thoughts and prayers. We love you, Mr. and Mrs. E and Brent
