“Gonna miss you Doug. Enjoyed the days we played golf and laughed and talked guns. Everytime I look at the windows in my house I remember the great job you did replacing them for me. RIP old friend, Steve.

“I'll miss the way Doug could tell a story and his love of riding motorcycles! We shared some wonderfully happy and fun adventures filled with love and laughter. Him and his dad can ride together now on those streets of gold and never get cold and wet like they did one year when they rode back from Daytona. Love to you always, James Douglas Dean, Jr. Carla
