“ I had the honor of meeting Durelle a few times at 2nd Baptist church. She was a kind and compassionate woman, full of grace and the light of the Holy Spirit- it just shined through her. I know she was received into heaven and is surrounded with love and peace, free from her earthy pain. Still, to the ones left behind without her presence here on earth, there must be a tremendous void. To my friend, David, and all of her family, I lift my heartfelt prayers for God's comfort to hold you.

“ While I didn't know this wonderful lady myself, I do know her son. And the kindness and love that he has for those around him were taught by his mother and father. I know Mrs. Miller was a gentle, loving woman, because I see the evidence of that in her son.
