“ *Got so many memories over the years it's hard to choose one but
we had a great friendship and worked together through out the
years at Wilkison Radiator shop for many years and also Genes
Radiator shop and even though Dwight was a few years older than
me the one memory that sticks out was when we went out they
would always ask him for his ID and not me and that would just
make him smile from ear to ear he loved that ! Rest in peace loved
you!*
