“ Feb 21-Susie, Steve, and families. just a note to let you know I just watched the video of pictures of you mom through time that must have been shown during her visitation. It was good to see since I couldn't come for the service and I'm glad Norma got to be there. She was a good and special friend through many years. Thinking of you as you go through the time of loss and just trying to go all the things that have to be done.
