“ *Ruth was a wonderful sister in law and I already miss her. She made quilts for all my kids and grandkids and made me many, including one, I received last week. How beautiful and was all purple and white and had a purple cross in the middle. I will treasure that for the rest of my life. I have loved her since I met her, many many years ago and have traveled many miles in our married life to visit with her and Loa. She always made everyone feel so special when you visited. One of a kind she was. Now she is resting in the arms of the Lord, which she surely deserved..*
