“ Ellie and I met in 1987 when I attended my first Medical School Faculty Wives meeting. We became fast friends, and remained very good friends until the end. We shared the profession of Nursing and our husbands shared the profession of Medicine. My husband did the eulogy at her husband's funeral service. Way too many memories to recount, but I thoroughly enjoyed helping to organize her surprise 60th birthday party with her dear friend, Susan. She was "really" surprised! I am the proud owner of one of her beautiful quilts, which I will treasure forever & it will stay in our family forever My deepest condolences and love go out to her wonderful family See you on the other side my dear friend!
