“ From her first smile she gave me, I knew Beth was a very special lady. From her family I've been blessed to meet, I knew she was a very special mother as well. I looked forward to seeing her at the jam each week and enjoyed that we shared a love for chocolate! Her strength in the face of her illness helped me embrace my own mother's trial and I fell in love with her beautiful soul that never failed to give me peace of heart. Her kindness has touched us all and left memories to be cherished. She will be missed, but never forgotten. Blessed Be.
