*RIP.Eric!! My prayers are with the family and friends.May the Holy Spirit give u all the comfort and peace during this time of grief. Eric had a huge heart I am glad I got to know him as a kind hearted person that loved life and lived for the adventure of the moment and for his children. I will never forget the kindness that Eric and his children showed me by accepting me as a friend to stay in their home when I had no family here and no where else to go. Thank you my dear friend and I will say your name and keep your memory alive by sharing the memories that we all shared together even though it was for a short time.And I would like to say to Ethan; Heath; and Cameron, I am always here for y'all any time night or day. If y'all need anything I will always be here for y'all.Hugs; prayers; and lots of love to u all. I am so sorry for your loss.*
