I worked with Wesley for many years at LSO up until his retirement. He was such a fun loving guy and loved to laugh and was a great friend to all that knew him. He loved his family and I know he will be missed greatly, but the memories will be forever. My sincere sympathy for the family.

“ *My husband Lee and I worked with Wesley for many years at Lubbock Co. Sheriff's Dept. Wesley was always fun to work with - he made us laugh a lot and he had a great sense of humor. It has been years since I had seen him- as we had both retired many years ago. We would like to send our prayers for his family and comfort for them.*
