“ *I remember Ethel well during a great friendship with Mike and Lisa. She loved and welcomed visitors with southern hospitality and laughter. Her steadfast faith was always an inspiration after all she had endured, let alone she instilled the same as her legacy in her kids/grand kids. You are now walking/running in heaven with no more suffering after your struggles and journey here on earth. Until we meet again. You left imprints on our hearts forever and eternally. With Love, Renae May, Sheena Bauman (Snowden), Jared and families.* ”

“ *Her smile! No matter when or where you saw her, she had a beautiful heartwarming smile for you! It always made my day when leaving my house across the street or out watering the plants, to see her outside and give me a wave and a smile.
Thank you Ethel for making those many days brighter* 💜
