“ To the family of Georgene,

My condolences to you. Georgene was a very good friend of mine. I worked with her for five years at Industrial Molding Corporation. We were in Human Resources together. She definitely had a big heart and wanted nothing but the best and happiness for everyone. She loved her daughters so much and talked about her family often. She will be truly missed. RIH.

“ Georgene, for the many years i have had the pleasure to get to know you, we became BFF's. you were my lunch buddy along with Bonnie and Connie Williams at IMC. Tech Café was our favorite place to go. Just last year we went to see "Bad Moms' movie. and we went walking through Holland Gardens to see all the Christmas trees. And this year when the Zoo came to Lubbock at the Science Spectrum and we took pictures of the Camels for hump day, that was a fun full day. i had my granddaughter with me and she had fun hanging out with you. when i had Dr. appointments at UMC we would meet and chat for a little bit and sometimes we even had lunch at the UMC's lunch hall. People would say hi to you and you knew everybody by name. you would just have that big loving heart about you and it would overflow to others and i saw it in their faces. you didn't have a mean word to anybody. you even would have people laughing.

you sent me pictures of you standing right next to the Texas Tech mascot that big beautiful black horse. i'm thinking oh my goss you are just kidding you are that close and oh you are even petting him. i told you stop you are hurting me here. we would laugh.

you had dubbed us, Georgene & Bonnie H. & Sheila L. the three Musketeers, Friends till the end.

You are gone but will never be forgotten. My Best Friend till the end.
