“ I could honestly say I am deeply broken up the moment. I was having a conversation with a friend and somehow the little town of spur Texas came up. It is where my family was located. This obviously is the first time that I have seen that my aunt Evelyn have passed away. I remember my uncle Randy's TV store so well with all of the TV consuls lined up everywhere. Are used to go through all the little bins of lightbulbs and crazy fuses in my head Evelyn's laugh was unimagivable. She was amazing gift. She is with my dad, Stephen Barclay and my aunt Alice and my aunt Jean. I family I truly miss ❤️❤️❤️
