“ *My Dearest Grandma,
There are not enough words to express how much we all love you. I am so honored to have been called one of your grandkids. I thank you for all those years in which you helped raise me and Danny. You instilled in all of us to always love one another and to give thanks to God on a daily basis. For that I will always carry with me. You taught us right from wrong, that's for sure, for the many times that you kept us on our knees. For that I thank and love you. May you forever rest in peace with our Lord and Saviour.*

Love Always,

“ My thoughts and prayers go out Ramos family, I have never stopped loving you mama Ramos and nor will I ever forget you, from the first day I met you until a few months ago in your nursing home room, you continued to insist that I learned Spanish so I could talk with you more.
