“ My condolences Jane,Robert and the family. I always remember Floyd always smiling never saw him mad or angry. Floyd, Wayne and my brother Dan were always running around together when they were at Dunbar High School. They stayed friends and he would always visit with my Mom and the family during the holidays. My mom would always give him a hug before he left the house and something to eat. Well friend this is not good bye we will see you again in heaven. God just created another angel. I know your mom was there to greet you with opened arms!! Love you Floyd from the DeAnda family!
