Dear Clarice,

Today I just found out that Floyd died. For a week I've had a strong feeling, almost a pulling from God to connect with you. I know your birthday is tomorrow, but it will be a sad birthday for you. There are no words to take the pain away.

You & Floyd had wonderful years together, but I know how broken your heart is now and always will be. I pray that God gives you strength in the coming years.

I miss John everyday and will till the day I die.

I'm so glad we got to visit you years ago.

I wish you God's strength as you go on with your life. God Bless You, Clarice.

Love from your friend and CMU roommate,

♥️ Cathy 🐶
