“ *Dear Leon,*

My brother Sandy and I are so very sorry for your loss. Please accept our condolences and know that our thoughts and prayers are with the extended Coats family at this difficult time. Unlike my brother, I never met your mom, but she must have been a special lady to have raised you to be the man you turned out to be.

You have been such a good friend all thru these many years ... since we first met in Midland as youngsters. It was on a sunny summer day in the late 1950's, and the City had just opened the brand new "Dennis the Menace" public skateboard park - that is when and where we first met each other.

Those were such good times back then - it was so easy to grow up relatively normal.

Thank you for your friendship all these years, and may your mom rest in peace in the House of the Lord!
