“ I know it's been three years since Frank Drury, my district supervisor passed. I worked with him at Payless Shoe Source for several years. He always had a kind word to say. He was very professional and shared his knowledge. I feel blessed to have known him. May God Bless the family.

“ Frank was the one that would initiate conversation with me at family events just as a friend would do. He shared lots of stories with me and was a big fan of my parents. I will miss his friendship. Thanks, Frank.

“ I'm so sorry to hear that Frank has passed, but I'm glad to know that he is in heaven with his Saviour. I will be praying for your family and know that you can lean on your Lord. I remember being at the hospital all those years ago when he was getting ready for surgery. I also remember Frank trying to help me with my computer. I love and misss you all.
