“ To the Family of Stephanie; a very longtime friend of ours and many years she gave her generous heart to Scouting. The Stephanie we know must have brought much joy to this family now in pain. I know her heart; she'll be there for all of the family. May God bless you all through this hard time of loss. Give your pain unto Him. Trust in your Guardian Angel to guide you. You are surrounded by loved ones.

“ I was 4 years old. Uncle Fred had been working on Grandma's roof and had come down off the roof ladder to get a bite to eat. I had been playing in the yard at the time and, as a curious child, saw the ladder and it looked fun. So I climbed up to the top and sat on the roof, having to concept of danger. When my Uncle came back out, he came straight up that ladder and brought me down and then chastised me soundly. He loved me enough to teach me right from wrong, yet always let me know how much I was loved. To this day, I can't see a ladder without thinking of him and have never been up on a roof since! Thanks Uncle Fred for saving me that day 56 years ago.

*I loved my Uncle and he was the kindest man. What a blessing God granted me to have known him. He reached out to others in his quiet, gentle way and always had a way of letting you know you were loved. I know he's with that other great Carpenter in heaven now.*
