“ I met Gail when my Mom was a patient of hers in a facility in Lubbock. I called her one night and she was crying and I could not understand her. I was very frightened and called Gail. She jumped in her car and went over to the facility and comforted her. I live in Wichita Falls and Gail called me and had my Mom laughing by the time I heard her voice again. It was a debt I could never repay, but we had lots of good times traveling to Santa Fe and other places together. Gail was a great Speech Pathologist and a wonderful person and always made me laugh.
