“ Gary was a very loving person with a huge heart. He loved my sister and I like we were his. I can still see him and my Daughter Cameron sitting in bed together, watching Boomerang, eating snacks, and talking about everything. She called him Uncle Cracker and she loved him so much. Gary is with our Lord in Heaven, sharing all these stories with him. He is loved and missed dearly. I will be praying for his family.

“ I'm sorry to hear about the loss of a funny fun loving man like Gary. I realize that words are inadequate at a time like this, but know you're in our thoughts and prayers. Gary was a blessing to any one who had a chance to meet him. He brought a ray of sunshine with him where ever he went. He will be greatly missed.

“ Gary, Even though we were out of touch, I remember all the good times we had, playing music, watching a football game, or just having a beer. Your family adopted Tom and myself many years ago. So there are so many memories, May God bless and be with your family at this time and fulfill all their needs, and let them know you are there and that one day we will all be together again. Your adopted brother, Forever, Mike Knotts

“ I will never forget all the great memories I have of Gary... Every time it stormed I called Gary to ask if there would be a tornado (I trusted his knowledge)... If the Cowboys were losing (which they do a lot) you knew Gary would be yelling at the tv... And he made steak, baked potatoes and pepper salad a lot (usually with Robert)..He would always do the fire Marshall bill impression, no one could do it as good as he could..
So many things will remind me of Gary and I am thankful for those memories... I will cherish them...
I love you Gary and I will miss you..
