“ *I am a long time friend of Gary's from Empire. Please be assured of my prayers and know that I mourn with you. He was such a good man and loved you all dearly.*

In paradisum deducant te Angeli; in tuo adventu suscipiant te martyres, et perducant te in civitatem sanctam Jerusalem. Chorus angelorum te suscipiat, et cum Lazaro quondam paupere æternam habeas requiem.

"May the angels lead you into paradise; may the martyrs receive you at your arrival and lead you to the holy city Jerusalem. May choirs of angels receive you and with Lazarus, once (a) poor (man), may you have eternal rest." Requiescat in pace, dear friend.

Much love, Marcia Easterling

“ Gary -

You were like a brother to me and I will miss being able to kid around with each other. You've been in my life for as long as I can remember and I grew up leaning on you like my own brother. You are one of the greatest men I know and my sister has loved you her whole life. You were always there to support her, take care of her, be her rock, the love of her life, the man she walked beside for better or worse, and I can't imagine this world without you in it. My heart breaks and I miss you so much already. Not a day will go by that I won't remember all the blessings you brought to our lives and I truly appreciate you being a wonderful uncle to my kiddos. You were the uncle they could reach out to and count on. Heaven gained an angel...

*Love always,
Angie*
