“ Our son, Ron, in heaven welcomes a friend. They had many conversations together, Gayla was only 1 year older but both grew up in Forrest Heights UMC. Gayla was a good friend that Ron liked being with especially in conversation. Bill and Val send deepest sympathy to the family especially Sue and Chris. Love and prayers.

“ *Gayla and my daughter, Larissa, were house-mates several years ago. I have many happy memories of visiting with them during my school's spring break. I enjoyed her cheerful spirit, her generous personality and willingness to entertain a houseguest. She always made room for me at mealtime (she was a good cook, too!) and even let me take care of the poodles once in a while. Please know of my sincerest sympathies at her passing. My prayers are with Sue, Chris, and other family members. May you feel God's presence at this special time.*

“ *Gayla Dew had a very sweet spirit and touched so many lives! We first met Gayla many years ago when we were members of Forrest Heights UMC. Gayla knew no strangers because every person that met her instantly became her friend! She fought her battle bravely and boldly. She was a constant prayer warrior for our daughter, Shawna Gail Thomas Nunez from the very beginning . We were very honored to be prayer warriors for Gayla till the very end. She had the spirit of God in her eyes and I loved looking into them. We are so very thankful that God nudged us to see Gayla last September and we continued to pray for healing. Gayla has received her ultimate healing and is sitting at the feet of our Savior. Gayla Dew, you taught us so very much about how to live our lives. Gayla Dew you made a lasting impression on all of us and you will definitely be remembered. I will now think of you being with our Shawna in Patadise and we can't wait to all be together again. “ I worked for Gayla for a few years when she was at Mullins rent to own. We affectionately referred to her as G MONEY, and she always called me "Nick The Greek!" I remember her love for her dogs, movies, great food and all sports. My family and I were able to have some drinks and share some memories a couple of years ago. So blessed to have stayed in touch with her over the years. Prayers and thoughts are with all family and friends. Gayla was a fighter and will always be remembered.
