“ We were so saddened to hear of the loss of Gayla. She has been a real gift to those she has served at Home Instead Senior Care. She has positively impacted so many seniors whom she helped to remain independent and safe. Gayla was a natural caregiver who always seemed to intuitively understand the needs of others and cared for them with respect and dignity.

Gayla also served our community by helping to bring awareness to the concerns of needy seniors through the Be a Santa to a Senior program. For many years, Gayla donned a Santa outfit and brought joy to others. She will be greatly missed by so many .

Our sincerest condolences to the family of Gayla, you are in our hearts, thoughts and prayers during this difficult time. May God bless you with the joy of happy memories and embrace you with His comfort.
