

"Dub"

March 25, 1952 - December 4, 2022

George "Dub" William Burdett III, 70, of Lubbock, Texas passed away December 4, 2022.

Dub was born March 25, 1952, in Lamesa, TX to George Burdett, Jr. and Lovena Watson Burdett Gryder. Dub was a dynamic, energetic, and special person with a generous heart. He was always there to help when someone needed a hand. Dub was a loyal friend and mentor to many. Dub was ready with a smile, a story, a laugh, and had the gift of putting people at ease and striking up a conversation with just about anyone.

Dub was a true audiophile. Loved great music, and particularly loved The Beatles. He spent most of his working career at Hi-Fidelity of Lubbock, as an employee and then manager doing custom audio/video systems design and sales. He enjoyed watching TV, going out for coffee, hanging out at home with his wife and dog Henry. He liked fast cars, motorcycles, spending time at his dad's lake house with his kids, and was a proud PaPa to his grandchildren.

Loved ones include his wife of 26 years Elizabeth Burdett; son Ben Burdett (April); daughter Samantha Burdett Cantrell; son Spencer Burdett, daughter Macy Burdett Climer; sister Sherry Thrash (Stephen); 4 beloved grandchildren Carson, Claire, and Conner Burdett, Jane Cantrell; cousins, nephews, nieces, in-laws and their families; and many dear friends.

Preceded in death by George Burdett, Jr. (Father), Lovena Gryder (Mother), Bill Gryder (stepfather), Myrtle Burdett (stepmother).

Above all he was a good man. He was loved. We will miss him greatly.

There will be a memorial service for Dub set up for a future date by the family. Please celebrate the life of Dub by visiting www.sandersfuneralhome.com.

“ Man, hated to hear this. I've known Dub all of my 53 years.....he grew up with my parents in Lubbock.

I had the opportunity to work with Dub back in the nineties at Hi-Fidelity, he was an influential mentor to me in the audio/sales game.

It was great getting to know him on a personal level as opposed to a friend of my parents. His mentorship has proven to be priceless to me throughout my career.....I know I thanked him but I don't know that I ever expressed how important he was to me and my successes. For that, I regret.

Dub, I know you're no longer in pain and I trust you are dancing and jamming to the Beatles in the arms of our Lord. Thank you for everything brother!
