“ *I was very saddened to hear of Bud's passing. I still have many good memories of family times from when I was a boy. In many ways him and my Dad were like brothers, and of course Bud was my loving Grandmother's youngest brother. I still remember the day I had bought a house and he came up delivering my mail, always loved seeing him. He was a hard working, friendly, great example of a good man. I know him, my Dad and many others are together in heaven and we'll all be together again someday in the future. Our prayers are with Tommie, my cousins and everyone else. Love David Lee and family.*
