

Gerry Anderson

November 11, 1937 - February 21, 2024

Gerry Dell Fuquay Anderson, 86, passed away peacefully on February 21, 2024 surrounded by her loved ones.

Gerry was born the youngest of three on November 11, 1937, to William Edward and Myrtle White Fuquay in Stanton, Texas. After high school Gerry went to Howard County Jr. College in Big Springs where she met Deroy Anderson. He soon married her and swept her off to the community of Tokio Texas where they started a family. In their 53 years of marriage they had 4 children, enjoyed a successful family business shipping watermelons all over the great state of Texas, endured the loss of a son, and left a lasting impression everywhere they went. Gerry loved the Lord and her family and was a devoted wife, mother, grandmother, and great grandmother. To pass the time she loved to play games, work on puzzles and crochet blankets. Those blankets are cherished possessions.

Gerry is preceded in death by her parents, husband Deroy, and beloved son Todd Edward. She is survived by her son Tony (Cheryl) of South Padre Island, Texas; daughter Teretha Jones (Guy) of Childress, Texas; daughter Tamyra Cash (Tommy) of Childress, Texas; sisters, Martha Cummings of Powell, Tennessee and Betty Butler of Stanton, Texas; sister-in-law, Neda Faris of Lubbock, Texas. Grandchildren, Tiffany Anderson, Taryn Anderson Steele (Jonathan), Travis Anderson, Lacy Jones Leahy (Larry), Jessy Jones, Mackenzie Cash Wilson (Michael) and Madeline Cash Smith (Jakob). And her favorites, the great grandchildren: Levi, Jakob, and Lucas Steele, Todd and

Max Leahy, Ava, Mariah, and Dreux Everage, and Brian and Audrey Wilson.
She is also survived by many nieces and nephews.

We want to thank Palliative Care of Covenant Hospital in Lubbock TX for the wonderful care she received.

A private service will be held at a later date. If you would like to honor her legacy, please make a donation to your church or favorite charity.
