“ *I'm so sorry to hear of your sweet mom's passing. She was a special lady who meant so much to me while she lived at the Sherick. I will never forget her bright smile and fun spirit. I missed her so when she moved. I am praying for your comfort.*

“ *Debbi, we are thinking of you and your family following the loss of your mother. Jane had a beautiful and welcoming smile and brought laughter for our souls. She served the needs of grieving families for many years by coordinating the meals to provide comfort following the loss of a loved one. She and Frank enjoyed serving others and truly blessed the lives of thousands. We always enjoyed visiting with her during the potluck meals following the Chapel class on Sunday evenings. After our move to Tennessee we missed those fun gatherings and know later she was unable to attend them because of her health. Prayers for all of you.*

“ Jane Kerr taught me so much about comforting grieving families by her example of serving on the Funeral Food Ministry at the Broadway Church of Christ. I remember her saying that this ministry was a ministry of inconvenience but one I would love & I did there for many years & am still doing so in another church & city today. Jane was a special friend & I loved her very much. Jane was a beautiful lady. Tony & I send our love & sympathy to her family.
