“ Nancy and Tom, I want to let you know how much your Mother meant to me and my family. When she was working with the adult Sunday School department and my parents, Charlie and Gwen Rhodes, were not able to go to the church Gwynn visited them often. She and my mother had a bit in common since my mother was named Gwen. Coffee and a piece of cake were always waiting for Gwynn to serve herself and then sit and share the news of the week or day with the Rhodes.

When Gwynn started selling clothes it was so exciting to look through the racks and find just the right thing to wear. Between Gwynn and Nancy and eventually others in the shop, my hair always had the finished look.

Thank you for Gwynn's life and example that she was able to share and give to many others.

Sincerely,
Nell Rhodes Revier
