“ Good morning, this is Janean Bray Burton, Johnnie & J. D. Bray's daughter. I was sad to hear about Helen. I did call Sanders Funeral Home and I was grateful that they did a live stream. Jim, Pat, Gary, Connie, Joe, Cheryl and I were able to watch the service. It was a wonderful Celebration of Life. I sang along with songs and loved hearing the stories. What a lady....I do remember her being very talented!. Thank you for taking such great care of her, which I know is a treasure you'll have the rest of your life. Love, Janean

“ We are so sorry to hear of your mother’s passing. The most vivid memory of her is her handling of the two copper snake bites that she received while on vacation at Possum Kingdom. Aunt Helen remained cool and collected while traveling a distance to the nearest hospital for treatment which most likely saved her life. She also honored us by being one of the cake servers at our wedding.

Aunt Helen lived a long faithful life to the Lord and we will see her again.

“ In the early 1950's Kenneth and Helen lived across the alley from my family and we grew up for many years right along side of her children. Her daughter, Brenda, was 4 days older than me and Helen was my babysitter until we started to school. Even today -68 years later- I can still remember Helen's laughter and fun times. We would go to the store every afternoon and buy her a Pepsi and a Moon Pie. I still remember the tomato sandwiches and homemade French Fries. A precious lady has left us for a much better place and I for one will never forget her
