Aunt Helen was a beautiful woman, inside and out. She always had a smile and loving hug for me, even though we didn't see each other often. God needed another angel. We will miss her. Cindy, Greg and family

“Helen was my friend Michelle's mom. And that meant that I was pulled into Helen's love orb as extended family. Helen was so humble, you'd have to sit at the table at the Ranch for hours before little pieces of all the amazing things she did would start to trickle out.  
I will miss her sweet smile and that twinkle in her eye greatly.

“ *Richard was a minister for the church of Christ here in Spur where Benny and I live. In the early 80's we had one daughter. Helen worked tirelessly with our two-year old daughter, as she did the rest of the kiddos in our congregation. She taught her to say the books of the Bible and had a reward system for the process of learning it. She also made sure that the kiddos visited the Spur Nursing Home on a regular basis. She is an inspiration to me and I hope one day I can be as patient, kind, interested, and inspiring as Helen was. She was truly a Christian example to me. I am now 58 and I still remember her as being one of my favorite preacher's wife of all times. Prayers for the family.*
