“ Our deepest heartfelt condolences to the family. While I did not know her well, I know how greatly she was loved by her friends and family. Her son, Harley, is my brother in law and uncle to our family. Our prayers, thoughts and sympathy are with you all today on this sad day of saying good bye.

“ I was only with Mrs. Bradley once when she made a trip to Arkansas to visit Harley and his family. She was a beautiful and precious lady who leaves a rich heritage with her family. My prayers are with the family to find peace and comfort knowing she is with Jesus.
