Dear cousins, we are missing our lovely lady, but we've got a million beautiful memories of the good times we spent with her! She set an example of the highest order, but loved us all dearly even if we stumbled and boy do we all love her!!! She was a second mother to me and baby sister and we love all of you so much, her darling children and all her grans. You are always in our hearts and prayers for God to bless and comfort each and every one of you. 🙏❤️

“ *My last visit with my Great Aunt Ima was in 2016. She was the epitome of a classy, graceful woman. She was the matriarch of the family and I have always been in awe of how much her children and grandchildren loved and respected her. She was from a generation that few can relate to anymore. The self- respect and dignity that her generation carried with them is something we have lost in recent years. I will always cherish her stories, advice and wisdom. Love your great niece, Teresa Hargrove*
