“ Although I didn't know Dub that long it was an honor to be able to care for him for as long as I did. He was such a loving, joking & kindhearted man. You can tell just by looking into those big beautiful blue eyes how much he cared for his family even in his time of suffering he always made sure everyone else was ok and had a great sense of humor about everything. My most favorite memory is when I would walk in to his room to get him out of bed and tell him good morning. He would smile from ear to ear and those big blue eyes would sparkle with joy and he would reach for my hand and tell me good morning. I'll always remember his humor and love he showed.

“ Uncle Dub and Aunt Betty were driving forces in our family, always the best host and hostess for our gigantic family gatherings and family sing-a-longs. I will miss him dearly, but know I will see him and the rest of our family again. Thank you so much for your love, your mischievous smile (you were usually up to something) and great hugs.
