Betty & Holley:

I'm truly saddened about losing Jacque. She & I were, at one point, absolute best friends. I believe that she never really got over the stress & heartbreak of losing Joe Max. I will forever hear her voice that early June morning when she called me, sobbing uncontrollably that she couldn't wake him. I loved her like a sister and have missed her terrible for the last year or so. I will miss Jacque & Joe Max for always and I will never forget the love & happiness that they both brought into my life. Jacque told me often after Joe died that she hurt so bad that she could hardly breath....I know that she & he are together now, and finally at peace.
