Jaime was at the State School with my cousin Van Boren. I got to spend time with him on my visits. He was always so cheerful and loved his music. In fact when Van passed away i told them to give Jaime all his CD's for I knew he would love them more than anyone else. Jaime and his brother ate lunch with Van and i one Sunday and we had a great time. My cousin Van died in 2017 and many times since then I have wondered how Jaime was doing. Saw the obits today and saw where he had passed away. All i know to say is how very sorry I am but also know that Jaime and my cousin Van are alive and well with our Lord and Savior with a health body. You are so very much in my thoughts and prayers.
