“ Where does the time go? The memories of Dr Pepper, Archie comics (a memory shared by all the cousins), the laughter, the swing pushes, the car rides just to run errands, the lettuce wedges...and the list goes on.  
We grew up, but still hold dear our times at Meemaw and Pops with James and his array of activities.  
Thanks James and I'll see you again.  
Thinking of you and prayers for comfort Treva and Chad!

“ James your family misses you. I know family was important to you and you loved us all. I remember how much fun it was staying at MeeMaw's and going in your room to read all of your comics.. Archie, etc. We always waited for you to get off of work because you would always play with us. Later, when I was in Lubbock for a while, we learned a lot about each other. I know Meemaw and Grandpa are so happy to see you again and you them! Love you, James. Your niece, Cheryl
