“ *Amy, my thoughts and prayers are with you and your family as you mourn the loss of your grandfather. I know too though you will be celebrating his life and remembering all of the fond memories you had of him. I'm so happy I was able to know him and see him recently at your wedding. He's looking down upon all you right now with a big proud smile on his face. He has so much to be proud of in all of you. I'm thinking of you... With my deepest sympathies, Wendy Petty*
