“ *jaNa, Was a very special person. .She never forgot anyone's birthday or Special day , including Holidays. She was my husband's aunt, but she was so very special to me. She never missed calling me when I was sick...and we kept in touch every week the last 3 years. . I really loved her telephone visits and will miss them so much. I know she will meet my husband some day in heaven. God bless you Brad and your family. Linda Cummings*
