“ Mother I still think sometimes that I can just pick up the phone and call you then I remember you are not here with us anymore but I know you are having a great reunion with those you loved and those that loved you and so many more that you wanted to get to know.. I miss you so much and will be happy to be with you again. We won't have to rely on what you called your cell phone "a tiky little phone". I know it was hard for you to have to revert from your land line to that "Jitterbug" . Now that summer is here and there are lots of birds everywhere I miss your comments that were funny about them as they hopped around or did their mating dances. Just miss you.

Love,
Fawn Ann
