Jan was the first girl I ever kissed. I stole the kiss at my first grade birthday party and I will never forget how I traumatized her. I reconnected with Jan several years ago and we had a good exchange of communication. She shared with me her love of river cruises and shared photos and stories. Jan will be missed by many of us who grew up with her in LaMarque.

“ *I grew up with Jan, knew her since elementary school. I interviewed for a job in Lubbock and we met for lunch and I remember her driving through her neighborhood to show me her house, so proud of where she lived and what she had accomplished in life. We have reached a time in life of letting go and yet I see her eyes, the upturn of her smile and feel the joy of the memories fill my heart and feel such peace for having shared her life...thank you, Jan.*

I am so sorry for your loss. Jan and I were in 1st grade through graduation in 1970 and church. We cross paths again several years ago at a class mini reunion. Several of us kept up with her through her stroke and rehab. I am sad she is gone but I know she is in the loving arms of our Lord. Our prayers with Jim and Austin, and family. Rest in peace dear friend.

Jan was a dear friend and former classmate in LaMarque. We shared many late night conversations, smiles and laughs. She loved her husband, Jim, and her family so much. I know she is rejoicing in the freedom from her health issues. I am rejoicing for her as well. Healed, whole, happy, and at peace. Until we meet again, sweet friend. ❤️

I know Jan is finally at peace now. The last two years were very difficult for her and for her family. I will always remember Jan from our years in the LaMarque school band (7th - 12th grade). She was a gifted musician on piano and flute. In spite of her shyness, she became a twirler and leader in the band. We had fun during those years. I remember when she wrote to tell me about meeting Jim and how happy he made her. I also remember when she wrote to tell me about his illness and how it affected her family. She was one strong woman, and she will be missed.

I met Jan at Castle Hills First Baptist in San Antonio. She and I had a mutual connection in LaMarque. She knew my cousin Helen Hinsley who lived there. I believe they were in church together. Jan was a gifted individual and I enjoyed knowing her. I found her blogs to be very interesting. She was a good writer. Jim , I am thinking about you at this time. I just learned of Janis passing today.

Jan was a great teacher and a good human being. She was an enthusiastic teacher and went out of her way to help us learn English. Also, Jan was down to earth and got along well with students from different nationalities and show no prejudice toward them. I will always remember Jan. Rest in peace. Mary
