“ As I was looking for some comforting words to express our deepest sympathies to a FAMILY that has touch our hearts very deeply and will forever be in our hearts as family. I came across this message right away and i knew deep down that this was what he wanted me to say .. so as you read or listen to these words i hope you can picture him because these are his words from above im just a dear friend giving his loved ones a message from him....

*To my dearest family,
Some things i'd like to say
But first of all to let you know
That i arrived OK.*

*I'm writing this from Heaven,
Where i dwell with God above
Where there's no more tears or sadness.
There is just eternal love.*

*Please do not be unhappy
Just because I'm out of sight;
Remember that I'm with you,
Every morning, noon and night.*

*That day i had to leave you
When my life on earth was through
God picked me up and hugged me
And he said I welcome you.*

*Its good to have you back again
You were missed while you were gone
As for your dearest family
They'll be here later on.*

*I need you here so badly
As part of My big plan,
There's so much that we have to do,*

To help our mortal man.

*Then God gave me a list of things
He wished for me to do,
And foremost on that list of mine,
Is to watch and care for you.*

*And i will be beside you,
Every day, week and year,
And when your sad i'm standing there
To wipe away the tear.*

*And when you lie in bed at night,
The day's chores put to flight,
God and I closer to you
In the middle of the night.*

*When you think of my life on earth
And all those living years,
Because your only human
They are bound to bring you tears.*

*But do not be afraid to cry,
It dose relieve the pain;
Remember there would be no flowers
Unless there was some rain.*

*I wish that i could tell you
Of all that God has planned,
But if i were to tell you,
You wouldn't understand.*

*But one thing is for certain
Though my life on earth is over,
I'm closer to you now
Then i ever was before.*

*And to my very many friends
Trust God knows what is best
I'm still not far away from you
I'm just beyond the crest.*

*There are rocky roads ahead of you
And many hills to climb,
But together we can do it,
Taking one day at a time.*

*It was always my philosophy
And i'd like it for you too
That as you give unto the World
So the world will give to you.*

*If you can help somebody
Who's in sorrow or in pain,
Then you can say to God at night
My day was not in vain.*

*And now i am contended
That my life it was worth while
Knowing that i passed along the way
I made somebody smile.*

*So if you meet somebody
Who is down and feeling low
Just lend a hand to pick him up
As on your way you go.*

*When you are walking down the street
And you've got me on your mind
I'm walking in your footsteps
Only half a step behind.*

*And when you feel that gentle breeze
Or the wind upon your face*

*Thats me giving you a great big hug
Or just a soft embrace*

*And when its time for you to go
From that body to be free
Remember you are not going
You are coming here to me.*

*And i will always love you
From the land way up apove,
Will be in touch soon
P.S. God sends HIS LOVE*
