“ Thelva and family, my deepest condolences to you all! Jay was such a good friend to many of us in the pest control community. I remember when I was just beginning my business in 1987, Jay was happy to have me come to Lubbock and watch (and help) him do a termite job. He one of the individuals I confided in when I was thinking about running for the TPCA Executive Board. He will be missed by many of us but we will all be reunited again one day. Prayers for peace and comfort during this difficult time. God bless! Fred
