“ *Jean was like my second mother and our neighbor of many years growing up. Jean and I shared the same birthday and she always remembered that and would call me on that day. I last visited Jean in March or April of this year and she was so glad to see me. My Sunday School teacher, vacation bible school leader, and my families cherished friend will be truly missed as we loved her and Skeeter dearly. A great reunion in Heaven this week! Blessings and Comfort to you all. Trish (Fails) Brackeen*
