“ To Mike (Stanley to us), and the balance of the family, I am very saddened by the passing of Jeanette. She was one of the gang that we all ran around with in our teenage and early twenties years in Lubbock. I believe that the last time that I saw her was at one of our high school reunions many years ago. Jeanette actually followed that up by sending me a set of pictures of the old gang from that weekend. I understand that she eventually lost a fight to cancer after three years or so. We have lost this lovely lady at way too young of an age. May God bless Mike and the family.
