*Thank you for allowing us to participate virtually. Jeffery's Uncle wanted to attend but due to circumstances was unable to physically attend. We watched and were touched by the songs, words of inspiration and the strength of his daughter and son.
Thank you again for making it possible to be there virtually.*

“ *Where to begin..you were always so happy and upbeat. Your sense of humor was great! I'll never forget the times we had, all of us hanging out at my old job,playing name that tune, or just sitting around talking. You were one of the good ones. I'll see you on the other side, J-e-fouble fizzle.*

“ I just can't find the words to say how much I miss you. You were always the life of the party. I could always count on you to make me laugh when times were tough. I love you so much little brother. When I am sad I will think about the crazy times we shared, laughing and joking about anything and everything. The only thing I would change about the last three months is the accident. It was hard but the time we shared together will be cherished forever. All the crazy doctors appointments and hospital stays you were positive through it all. Melanie and I would do it all over again for you. Our lives will forever be changed. A life taken too soon, but I guess God needed another angel.

Your big sis
