“ I had the pleasure of knowing and working with Craig for a few years. He had an amazing sense of humor! Anytime we worked together I could count on having a day filled with lots of laughs and conversations about Frank Sinatra's music or baseball. The Summer Wind will always remind me of you, Craig!

“ *I knew Mr. Denson since junior high and he was one of our biggest baseball fans through High School. After college I bought my now wife's engagement ring from him. When wedding rolled around I went to pick out the ring for my wife. I couldn't afford the ring I wanted so I settled for a cheaper one. The week of the wedding I went to pick the ring up after being resized, only it was the ring I originally wanted. That's the kind of man Mr. Denson was. The kind that made you want to be a better person.*

Rest In Peace my friend!
