“ I always remember Jerry as a very thoughtful individual, calm and measured in pretty much everything he did. My memories start when Jackie, Jerry, & Donna came to live with us all those years ago. It was difficult to terrorize Jackie, he was older and worked a lot (and did not put up with much BS), but was there to help me when I needed it (Rest In Peace), Donna was my primary target of mean jokes, I'm sure the Lord has a special box to use on me (like a dryer) from time to time just cause I was a rude young man, Jerry was the one that seemed to get stuck with dealing with me the most, at least on occasion, but I don't think I ever heard him complain, he just endured the poking and prying of a young man figuring things out, even when we moved South of town! GOD, please wrap this man in warmth and light so that he will always know that he is loved and missed and that he has left love and grace behind! My thoughts and prayers are with the family (which is far larger than one would think), remember all of the good and kind ways in which Jerry touched those around him!

“ *Back in 2004 my dad, Jesse Evans, was at home and dying of heart disease. Jerry and Connie and a daughter brought communion to the house for him. It was his last communion on this earth. I was not there but my mother told me about it. Our family was so blessed and appreciative of their efforts and amazed that their daughter came too. I feel like they probably knew that his condition was grave but that in itself was important for her to experience. I don't think I ever said, "THANK YOU" to them but we were very grateful.*

Rest In Peace good and faithful servant!

Jerry And Brenda came. I said Connie because I taught Connie n 3rd grade. She may have come with her parents I just can't remember as I was not there.

“ *I am so saddened to hear the passing of Jerry. We were not only classmates but good friends. Many laughs shared with him and his brother Jackie. Jerry always had that smile. Prayers for peace and comfort for the family.*
