“ One of my most favorite memories of Jimmy was him and Pernecia helping me to decorate a co-worker's office with red solo cups, because she HATED that song by the same name. My, how we laughed and laughed while we did it, knowing full well that our co-worker was going to shocked when she opened the door to hear THAT song blasting, and to the wide array of red solo cups everywhere! Pernecia, my heart goes out to you and your family. He was a treasure and will be missed.

Love and prayers,

Renee Hucks
